

InTENSity™ 12

The InTENSity™ 12 is the newest standard in portable electrotherapy offering patients the latest in treatment options and stimulation programs in a user-friendly, ergonomic design.

Equipped with pre-set body part specific settings as well as a customizable option, the InTENSity™ 12 intuitively guides the patient step-by-step to ensure the ideal therapeutic treatment.

This highly customizable TENS unit has modes to reach most recurring and chronic pains. Patients will love the convenience of the powerful rechargeable lithium ion battery. Take it to work, use it at home or while traveling.

TENS
